RESOLUTION NO. 577

RESOLUTION OF POLICY OF THE CITY COUNCIL OF THE CITY OF ST. HELENA REGARDING THE GRANTING AND EXTENSION OF WATER SERVICE TO TERRITORY OUTSIDE THE CITY LIMITS

WHEREAS, the City Council did adopt Resolution No. 483 on September 12, 1961 regarding extension of water service to territory outside the city limits, and

WHEREAS, the City Council since said date has made a continuous study of the water supply needs and problems of the City of St. Helena, and

WHEREAS, the Director of Public Works of the City of St. Helena has made his report and recommendation to the City Council on July 6, 1964 that no new water services or main line extensions be granted to areas outside the city limits until the City has definite solutions to the water needs and problems of the City, and

WHEREAS, the City Council is therefore desirous and finds that it is in the public interest to establish further policy regarding the granting and extension of water service to territory outside the city limits.

NOW, THEREFORE, BE IT RESOLVED that it is the policy of the City Council of the City of St. Helena that the City will not grant any new water services or permit water main extensions outside the city limits of the City of St. Helena until such time as the City Council finds and determines solutions to the City's water needs and problems. The effective date of this policy shall be July 14, 1964.

PASSED AND ADOPTED the 28th day of July, 1964 at a regular adjourned meeting by the following vote:
AYES: COUNCILMAN KERRY MULLIGAN, HERBERT L. BYRD, JOHN P. ACUILA and MARSHALL SEARS
