CITY OF ST. HELENA

RESOLUTION NO. 2000-59

APPROVING A WATER AGREEMENT
WITH MERRYVALE VINEYARDS AT
1000 MAIN STREET

RECITALS

Merryvale Vineyards received a use permit from the City of St. Helena in 1995 for a winery located at 1000 Main Street. One of the conditions of the Use Permit required a water use agreement. The City of St. Helena has supplied water to this location for many years. Use Permit #95-37 authorized the use of 3,260 gallons per day for domestic use only.

A water agreement is attached for approval. The City Attorney and Public Works Director have reviewed the agreement.
